## VOLUNTEER WORKDAYS | \$5,000

Give back directly to the community and help build your company's culture of volunteerism with a workday at a PPLT nature preserve. Volunteer workdays are a great way to gather your team for a day outside and demonstrate your commitment to conservation. Stewardship activities can include trail maintenance, habitat restoration, and more!

Volunteer workdays start at **\$5,000** and can accommodate up to **25** volunteers. We can welcome additional volunteers by coordinating multiple events or separating into groups by activity.

## SPONSOR AN OPEN PRESERVE DAY | \$1,500

Our ever-popular Open Preserve Days offer hikers and nature enthusiasts exclusive access to PPLT preserves for a day on the land. Get your name in front of local families and residents by sponsoring an Open Preserve Day.

Open Preserve Day sponsorships start at **\$1,500** and include tabling at the preserve entrance on the day of the event. Ask about sponsoring the entire season of Open Preserve Days!
